Tool Grinders

KSM 13 S

SKU : 112825

The handy drill bit grinding devices of the KSM series impress with their simple operation and are ideal for precise and cost-effective grinding of double-edged twist drill bits. Even without prior knowledge, the work is done cleanly, quickly and precisely. The devices are ideal for any tool crib and include both collets and a high-quality grinding wheel.

- Clearance angle and point angle grinding
- Grinding wheels included
- Common collets included

TECHNICAL SPECS

WORKING AREA

Grinding diameter	3 mm - 13 mm
Grinding wheel material	CBN

DRIVE CAPACITY

Motor rating main drive	0.12 kW
Supply voltage	220 V

MEASURES AND WEIGHTS

Overall dimensions (length x width x height)	0.32 m x 0.18 m x 0.19 m
Weight	9 kg
