

Horizontal Metal Cutting Bandsaws

B 200 S

SKU : 102752

The band saw of the B S series is the entry-level model of the classic horizontal band saws and ideal for workshops and one-off production. Thanks to the swiveling saw frame, the machine can make miter cuts of up to 45 degrees. The saw frame feed is infinitely variable via a hydraulic valve and can also be readjusted during processing. The compact band saw has a low-maintenance and robust drive via V-belt and is equipped with a quick-release device and a coolant device.

- Saw frame swivels 45° on both sides
- 45° swiveling vise for miter cutting
- Compact design
- Hydraulic cylinder-adjustable saw frame feed
- Coolant unit in machine base

TECHNICAL SPECS

CUTTING CAPACITIES

Cutting capacity 0° (round)	8 in
Cutting capacity 0° (square)	8 in
Cutting capacity 0° (flat) (length x width)	8 in x 8 in
Cutting capacity 45° (round) L	6 in
Cutting capacity 45° (flat) L (length x width)	6 in x 5 in
Belt speed	79 / 135 / 200 / 269 fpm

DRIVE CAPACITY

Motor rating main drive	1.5 Hp
-------------------------	--------

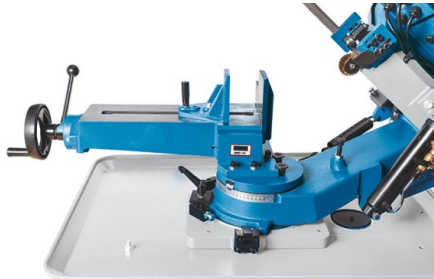

MEASURES AND WEIGHTS

Blade dimensions	92.91 in x 0.79 in x 0.04 in
Overall dimensions (length x width x height)	49 in x 26 in x 52 in
Weight	418 lbs

PRODUCT DETAILS

- Saw frame swivelling on both sides - allowing angular cuts to 45°
- Coolant system is included
- Thin saw blade for reduced material removal
- Exact cuts - rigid construction prevents belt track deviations
- Quiet, low-vibration operation
- A hydraulic cylinder controls the support pressure infinitely from 0 to maximum pressure

Reduced down-time: precisely adjustable angular stops and quick-action clamping at the vise

STANDARD EQUIPMENT

Coolant system
Quick-action vise
Mobile base
Saw-band
